Korean Journal of Health Promotion

kjhp

Vol. 17 / No. 4 / December 2017

대한임상건강증진학회
Korean Society for Health Promotion and Disease Prevention

Aims & Scope

The Korean Journal of Health Promotion (KJHP) is the official journal of the Korean Society of Health Promotion and Disease Prevention. The official title of the journal is 'Korean Journal of Health Promotion' and the abbreviated title is 'Korean J Health Promot'. It was launched in 2001. It contains original articles, brief communications, reviews, and letters to the editor. It is published quarterly with articles in Korean with English abstracts or in English.

The aims of the journal are to contribute significant and new findings to all fields associated with health promotion and disease prevention and to promote the advancement of research in health promotion through the sharing of scientific information on the latest developments in research on health promotion among members of the Korean Society of Health Promotion and Disease Prevention and other national and international societies.

All articles in this journal are indexed in KoreaMed and KoMCI. The circulation number per issue is 600. The journal is freely distributed to members of the Korean Society of Health Promotion and Disease Prevention who wish to receive print issues. Otherwise, the Journal is readily and easily available to members and international readers at <http://healthpro.or.kr>.

This journal is supported by the Korean Federation of Science and Technology Societies Grant funded by the government of Korea (MEST).

Copyright

Articles published in the KJHP are open-access, distributed under the terms of the Creative Commons Attribution License (<http://creativecommons.org/licenses/by-nc/3.0>), which permits unrestricted use, distribution, and reproduction in any medium, provided the original work is properly cited.

Submitting an article to the KJHP implies that the authors confirm that all authors have read the article and have approved of its publication elsewhere, and that the copyright of the submitted manuscript, including figures, is automatically transferred to the publisher if and when the work is accepted for publication.

While the data of published papers are believed to be true and accurate at the time of their publication, neither the authors, editors, nor the publisher have any legal responsibility for errors that may be made.

Please send requests for permission to reproduce articles/information from this journal to the Editorial Office.

Subscription

Subscription is free but cost for shipping and handling is charged for printed issues. The annual shipping and handling rates for 2011 are 20,000 Korean Won for domestic subscribers and 100 US dollars for international subscribers. All orders should be payable to and sent to the Korean Society of Health Promotion and Disease Prevention, 88 Olympic-ro 43-gil, Songpa-gu, Seoul 05505, Korea.

A free fulltext service, in both the XML and PDF formats, is available on our web site <http://healthpro.or.kr>. No registration or subscription is required for access to the electronic issues of the KJHP.
